Electronic Technical Digest

By now, you should have received an email from info@enri2013.org with your specific "Ticket" to enable you to download the ZIP file of your Electronic Technical Digest and taking advantage of having access to the papers prior to the Workshop. Please remember there will not be a distributed copy of the Technical Digest (CD-ROM or USB) at the Workshop and the only way to gain access to the Technical Digest is to download your copy. Please remember that the Transducer Research Foundation has stipulated that all downloads needs to be completed by the last day of the Workshop, Wednesday, August 21.

If you have not received the above mentioned email, please respond to this email and the information will be sent to you again.

Please remember to download your Digest before arriving in Napa. The Resort Internet service will not support downloading large files.

Ground Transportation to and Parking at the Silverado Resort and Spa

For those of you still making your travel arrangements to the Silverado Resort, Ground Transportation to/from Napa to both Oakland International Airport and San Francisco International Airport is available from Evans Airport Service at a rate of \$45 each way (CASH ONLY).

Reservations from the airport are not required (but suggested) and ARE REQUIRED from the Silverado to the airport. For reservations, please call Evans Airport Service at 1-707-255-1559 or visit http://evanstransportation.com/rates_scheduled_airporter.php for more information.

For those of you who are driving to the Silverado Resort, please know that parking is free of charge.

High Speed Internet Connection

Complimentary wireless will be available throughout the Resort by selecting either "Silverado" or "Silverado Conference" from the list of available networks. You will not be required to enter a user name or password. We ask that you limit your usage to be considerate of other attendees and please log out once you are finished.
